Appendix A:

Novice Fleet Guidelines

- A.1** Whether a sailor is to sail in the Novice or Open fleet at a State or National Championships can be a difficult decision for parents. Here are some guidelines for when entering such an event. They are guidelines only as 'hard and fast rules' in this situation do not cater for everyone.
- A.1.1 8 years of age or less on the day of the invitation race.
 - A.1.2 A sailor 9 years or more on the day of the invitation race, competing in their first State/National Championships.
 - A.1.3 A sailor with a medical condition that requires on-water treatment or has a recognized learning/cognitive disorder.
 - A.1.4 A sailor who has never had a podium finish in an organized Minnow race.
- A.2** The goal of the Novice fleet is to encourage participation and enjoyment of the State and National Championships for beginner sailors.
- A.3** A sailor who fits the above criteria but is skilled enough to sail the Open course is strongly encouraged to enter the Open fleet to maintain the spirit of the Novice fleet, and for that sailor to challenge themselves and build their own skills.
- A.4** Final acceptance into the Novice fleet will be made by the Organising Authority following advice from the President of the Minnow Sailing Association (Victoria) (or their nominated representative).
